## **TSIG's Atlanta DNV-GL Physical Environment Seminar**

Please join us and our gracious hosts, Piedmont Newnan Hospital and Newnan Utilities, for some southern charm in historic and picturesque Newnan, Georgia, just 20 minutes from Atlanta, for a FREE one day seminar on DNV-GL compliance. The seminar will include information about the 2017 DNV-GL NIAHO standards, Control of Documents and Records processes, as well as code information for compliance with the newly adopted 2012 editions of NFPA 99 and NFPA 101. In addition the seminar will include comprehensive compliance requirements for NFPA 99-2012 chapters 12 for Emergency Management and 13 for Security Management, including performing a Security Vulnerability Analysis (SVA). Learn first-hand, from a collective team of TSIG's experts in the field, DNV-GL PE Sector Leader, and esteemed guest speakers from Piedmont Newnan Hospital about exactly what Physical Environment issues healthcare organizations will face during upcoming surveys due to recent major code and standard changes. If you are not a DNV-GL accredited hospital you are still welcome and encouraged to attend. The information to be provided will assist in complying with any local, state, federal, or accreditation body. So join us for a fun and dynamic seminar and plan to spend some extra time exploring Newnan and Atlanta, Georgia for the weekend if you choose.
